RE: 2023 SORK AGM A.O.B

The following has been received as an item to be discussed under A.O.B

MOVER: **ANDERSON BIWOTT**

DATE RECEIVED: **01.03.2023**

EMAIL/MESSAGE:

Honorary secretary,

*I write this on my capacity as a former council member and based on the existing structural system in radiography practice. Consider A.O.B on recruitment of new members and follow up on those in practice.
It is my request you put this for discussion.*

Thank you.
